

# College of Nursing

EWHA WOMANS UNIVERSITY

## Educational Objective and Goals

The objective of the Bachelor of Science in Nursing (BSN) program is to train and educate qualified professional nurses with competent nursing knowledge and skills who have global perspectives. Through our education, graduates will become registered nurses who will prevent disease, promote clients' health and recovery from disease, alleviate pain, and improve well-being based on Christian values.

### College of Nursing

#### Major of Nursing

- To become professional nurses providing holistic nursing care
- To become nursing leaders demonstrating leadership in sharing and caring

#### Major of Global Health & Nursing

- To become nursing leaders with global competence in health care
- To become professional nurses with health science knowledge in health policy, management, and administration

## Club Activity

KKun

The KKun is a performance club that not only preserves our cultural heritage but also uplifts our spirits and a sense of excitement.

O! Suzy

The O! Suzy is a volunteer club that applies a comprehensive approach, combining Eastern and Western medicine, to gain a deeper understanding of various diseases. With the use of Goryeo Suji Therapy, the club strives to improve the local community health.

EGAPS

The Ewha Gambling Addiction Problem Solver (EGAPS) is a club that helps raise awareness of the seriousness of gambling problems and ultimately promote a healthy leisure culture, in order to prevent and solve gambling problems.

GLEE

The GLEE (Global Leading Ewhaian's Enthusiasm) is an academic club that engages in discussions related to nursing articles and journals written in English while exploring various career paths in nursing. The club aims to cultivate a broad knowledge of nursing and develop proficiency in English language skills.

GNSF

The GNSF (Global Nursing Student Forum) is a nursing academic forum club, organized and led by undergraduate nursing students, to discuss various domestic and international issues related to nursing and health.

N+a

The N+a is a study club that carry out individual projects through interdisciplinary collaboration.

Nurse For Christ

The Nurse For Christ (N.F.C.) is a club that shares the Bible, and spreads the love of Jesus through praying for students at college and participating in the Thanksgiving festival in Chapel.

Retina

The Retina is a photography club for nursing students interested in capturing photos and aiming to save good memories of their college life through the art of photography.

V-Nurse

The V-nurse is a volunteer club where students interested in community health and welfare conduct self-directed studies and provide visiting nursing services.

# Ewha Nursing, Where the Change Begins!

To foster an active, competent, and competitive global woman leader in the domestic and international health care areas through cooperation with diverse countries worldwide.
