IV. Important Information

1. Roommate/room type may not match your choice 100% and your roommate can be either an international or Korean student
2. Room/building type cannot be changed after the room assignment is completed
3. E-House is a suite-style dormitory with single/double/triple/quad rooms where 2-10 people reside. The number of people assigned means the number of people allocated per room, not per unit
4. I-House is for international students such as exchange and language center students so male residents may reside in the same building
5. There can be vacation program participants who are non-Ewha students in all dormitory buildings. Please note that there can be male participants in E-House and I-House
6. There can be repair work taking place during the residents' stay in the dormitory. Hence there can be noise from such work and visits to dormitory rooms under the supervision of female residential assistants
7. As the dormitory is a community space, there may be various difficulties and inconveniences (noise, communication problems among room/unit mates etc.) so please consider carefully before you apply
8. You may experience data disconnection while using Wi-Fi since internet connection will be simultaneously used by multiple people over the same internet line. If your Wi-Fi continuously gets disconnected, Hanwoori and I-House residents may borrow a wired LAN from the dormitory. However, please note that you must prepare a separate converter that connects the wired LAN with your laptop (there may be restrictions when participating in online classes or exams due to Wi-Fi instability)

V. Required Documents for Check-In

- ※ Erase the last 6 digits of your ARC number when submitting documents
- ※ Students cannot proceed with check-in if the required documents are not in hand

1. Tuberculosis test (Chest X-ray) certificate (Korean/English) issued from 2025. 4. 1.(Tue) is only valid

- A. The tuberculosis test (chest X-ray) certificate should show negative results
- B. The document should be in printed form stating your name, result and date of the examination. The office accepts original documents and copied forms as well. Note that the result should be in either Korean or English only.
- C. Students who lived in the dormitory during 25-Spring do not have to submit the required document (regardless of dorm buildings you lived in)
