2. Any request for room/building change will not be accepted
3. As the dormitory is a community space, there may be various difficulties and inconveniences (noise, communication problems among room/unit mates, etc.) so please consider carefully before you apply
4. There can be repair work taking place during the residents' stay in the dormitory. Hence there can be noise from such work and visits to dormitory rooms under the supervision of female residential assistants
5. I-House is for international students such as exchange and language center students so male residents may reside in the same building
6. You may experience data disconnection while using Wi-Fi since internet connection will be simultaneously used by multiple people over the same internet line. If your Wi-Fi continuously gets disconnected, Hanwoori and I-House residents may borrow a wired LAN from the dormitory. However, please note that you must prepare a separate converter that connects the wired LAN with your laptop (there may be restrictions when participating in online classes or exams due to Wi-Fi instability)
7. If you cancel your residency or leave the dormitory during the semester, all of your subsequent dormitory applications will be automatically canceled. If you plan to apply for residency again, you can apply from the next semester (those who cancel their residency or leave the dormitory midway cannot re-apply in the same semester)
8. If an applicant takes leave of absence, is dismissed, or is taking credits below the standard, does not return from leave of absence, the Housing Office may revoke your dormitory application and you cannot re-apply for dormitory.
